### RESIDENTS' ENTERTAINMENT

In January, John Banks gave the residents a jolly afternoon, inviting them to sing-a-long to all the old tunes they knew in their youth. It was successful enough to be repeated in the following two months - indeed, popularity is so great that John will organise another afternoon of songs in April and May! The Jacqueline School of Dancing entertained with a mixture of Old Tyme and Modern dancing in February; during the same month, Betty Dodge and Win Jones gave us a song recital. In March, Tony Sheperd presented an entertaining talk on New Zealand, with a video showing some beautiful scenery and wildlife, and included Maori dancing. Later, Phil and Jeanne Revnell presented a concert of "Folk songs and humour", handing out chorus sheets for residents to sing with them.

In her February Report, Betty Gazeley asked for volunteers to assist with Bingo: Jack Garner has offered his services, and if anyone else could spare an occasional hour on Tuesday evenings, please ring Betty on 0181.660.6067.

### RESIDENTS

Welcome to two new Residents:

Mrs.W.Kerr and Mrs.Constance A.Sweet.

We hope you will find happiness and make many new friends in your new home.

Several Residents celebrate their Birthday in the next three months, and we wish them a very happy day:

## CHARITY GREYHOUND MEETING

John Gregory has kindly offered to support James Terry Court by donating the profits from a **Charity Greyhound Meeting at Catford Stadium on Saturday, 17th.October 1998**: we look forward to your support for this new venture.

There are 120 seats booked in the restaurant, at a total cost of £26 each, which includes entry into the Stadium, a race card and a three course dinner plus coffee.

During the evening, you can sponsor a greyhound, at a cost of £10 per dog, (no limit to the number of sponsorships !), which will stand you the chance of winning a bottle of champagne.

The seats booked will be allocated strictly on the basis of 'first come, first served', so it is very important that you book as soon as possible, using the form below.
